The Book of the Bee - Index

The Book of the Bee is a collection of theological and historical texts compiled by Solomon of Akhlat in the thirteenth century. The book discusses various topics including the creation, heaven and earth, the angels, darkness, paradise, Old Testament patriarchs, New Testament events, lists of kings and patriarchs, and the final day of resurrection. TRUSTING in the power of our Lord Jesus Christ, we begin to write this book of gleanings called 'The Bee,' which was composed by the saint of God
