Stuttering, documents the internationally recognised method that not only improves speech, but offers the enjoyment, not the dread, of speaking. Uniquely, The McGuire Programme combines physical techniques (breathing and relaxation) with mental strategies for dealing with the fear of stammering, as well as how to develop an assertive attitude to the problem.

Having a stutter from as long as I can remember, I have tried many therapies. None of them worked. I was never able to say my name and address and always tried to avoid phone, checkouts and other situations requiring speaking. In May 2015, at 40, I attended my first McGuire Programme course in the UK. I have now completed 3 of them.
