The Urban Explorers Network was created in 1999 by Paul Allen Rice following his creation of The Underground mailing list in 1997 where vadders could discuss college tunnels and any manmade underground structures. The mailing list and website were for urban explorers to share their experiences and network among themselves in further explorations.

Urban Explorers Network - Explore the Planet

Collaboration between community mental health professionals and school professionals involves sharing knowledge and resources to accomplish more than could be achieved by practicing in isolation. Despite its role in school mental health (SMH), there

Urban and Community Studies | The Major Experience

Exploring care is such a foundational aspect of our work that we have already launched a spinoff company, Cityblock Health, focused on community-based care in underserved urban communities. Sidewalk Labs recently partnered with a Toronto-based firm, Idea Couture , to learn more about how neighborhoods can truly be drivers of community well-being and, by extension, individual health.
