The tone of How Asia Works is dry, to put it mildly. But I did enjoy Studwell's occasional accounts of arriving in various Asian capitals and noting the correlation of personal service to the local Gini coefficient (a metric of wealth inequality within a particular country): Studwell instantly senses the passage from Gini coefficient 3.0 to 5.0.

### Summary Judgments: How Asia Works: Success and Failure in ...

'How Asia Works' passes the sniff test in that it actually helps to explain current events in Asia - for example the current fun and games with the Thai government's guaranteed rice purchases, which post-date the publication of the book. The most important premise in the book is the need for land reform to fund industrialisation.

I read Joe Studwell's How Asia Works because it claimed to answer two of the greatest questions in development economics: How did countries like Japan, Taiwan, South Korea, and China achieve sustained, high growth and turn into development success stories? And why have so few other countries managed to do so? Clear answers could benefit billions of people living in countries that are poor ...

### How Asia Works Quotes by Joe Studwell - Goodreads

The first book to offer an Asia-wide deconstruction of success and failure in economic development, Studwell's latest work is provocative and iconoclastic - and sobering reading for most of the world's developing countries. How Asia Works is a must-read book that packs powerful insights about the world's most misunderstood continent.
