a lot of the original titles are fanfiction. Still, if you do a bit of digging around, you'll find some interesting stories.

Management Of The Absurd

Farson's "Management of the Absurd" addresses business from a perspective rarely represented -- that of a wise man who understands business because he understands people. Best example: Instead of viewing managing as akin to a sculptor molding clay into the desired form, Farson suggests that the very best a manager can hope for is to fall into a pile of clay and make an impression...

Management of the Absurd by Richard Farson Summary Human relations are often paradoxical and not logical and this book explains why many assumptions about people, relationships and “managing” we make are in fact false.

Management of the Absurd by Richard Farson - The Rabbit Hole

To be clear about the title - the absurd things that we manage are us humans. We are complex and paradoxical. We do not respond to events rationally or reliably. It is absurd to think that management is simple. What we must consider doing is approaching leadership with a sense of humor and seriousness, and be ourselves.

Management of the Absurd: Paradoxes in Leadership

In philosophy, "the Absurd" refers to the conflict between the human tendency to seek inherent value and meaning in life, and the human inability to find any in a purposeless, meaningless or chaotic and irrational universe. The universe and the human mind do not each separately cause the Absurd, but rather, the Absurd arises by the contradictory nature of the two existing simultaneously.

Absurdism - Wikipedia
