Fungi, fungus, mushroom, or however you want to say it are a really strange form of life and they are everywhere in the Rocky Mountains. Simply saying the word mushroom gets a strong reaction from people. It can cause them to make a disgusted face or it can cause them to smile as they think about eating them. Whatever you think of mushrooms, fungi are incredibly important for a healthy environment and also help people in making many different kinds of food and medicine.

...

Mushroom Pulled 'Pork' with a grated beet and cherry tomato salad and baked potato. I love this time of year when everything on our plate is local. The mushrooms came from our friend Rocky Mountain Gourmet Mushrooms, and almost everything else is from our garden. The sour cream is the only thing that doesn't fall into the 100km diet.
