## Online Library Overstreet Arrowhead Price Guide

In the 1960s, after abandoning a project to create an arrowhead price guide, Overstreet turned his attention to comics, which had no definitive guide. [1] Comic back-issue prices had stabilized by the end of the 1960s, [2] and, Jerry Bails, who had recently published the Collector's Guide to the First Heroic Age, was considering creating a comic book price guide.

### **Overstreet Arrowhead Price Guide**

Overstreet, as its name implies, is a 'Price Guide', I understand this to mean that it gives a framework for determining basic values for given comics over a period of time. Since values are complex and affected by psychology and other market forces, short of price fixing by the government (which would be disastrous in the long run), there is no objective fixed price for any comic.

Overstreet's price guide was the very first to list all the American comic books with pricing information. It was the first of its kind and enthusiastically received. It was the first price guide ever to provide complete information of where to buy and sell by allowing advertising to dealers and collectors.
