In some cases, you may also find free books that are not public domain. Not all free books are copyright free. There are other reasons publishers may choose to make a book free, such as for a promotion or because the author/publisher just wants to get the information in front of an audience. Here's how to find free books (both public domain and otherwise) through Google Books.

### We The People Edition 9th

Patterson's We the People has long been a best seller for American government courses due to its insightful, readable, and balanced portrayal of the American political system. The 9th edition continues this tradition of excellence while also introducing a new emphasis on political thinking at a time when the partisan divide seemingly could not be wider and unbiased political information is often drowned out by other sources.

"We the People, Ninth Edition," which is abridged from the full textbook version, offers prospective students an overview of the political spectrum in the United States. It is not designed as a "rah-rah" treatise for the benefit of any political party; rather, it deftly presents the American political system's inner workings.
